I want the court to know my probation officer told me I ~~was~~ doing such amazing job that in October my probation Judge was going to let me off early. Before this incident I always had a job at one point I was working three jobs (Chick-fil-a, U-haul, Jiffy Lube) to provide for me and my son. Further more I would like the court to know I was apart of the Rising The Bar Apprenticeship Readiness program ~~which~~ ^{Allowed me to} allowed me to shake hands with Mayor Brandon Scott and also join Local 486 HVAC and Plumbing Apprenticeship program. I worked Ten hour shifts almost everyday putting in Callaway elementary new pipes and A/C units in. School starts in September I don't want ~~to~~ miss out on this awesome opportunity. Class is from 5pm-8pm Two or three days a week while also I work everyday.

This is a very serious matter and I apologize for being in your honorable court facing these charges, I am not a threat to the victim or ~~the~~ community. I am a hard working man and father that is working to provide a better life for **his** family. I also want the court to know I have a grandmother in coving mills that asks for my help a lot I go take out the trash, clean the hase. for her and any other task she ask **me** to do. I would like ~~to~~ ask the court to please allow me home to go back to work and take care of my family. I pray you'll find favour upon my request.

WHEREFORE it is requested:
